

A. Gather Existing Flyers

1. Can you please provide all existing service flyers from the client for:
Web Development, App Development, UI/UX, Prototyping, Product Visual Development, Digital Marketing, Influencer Outreach, Commercial Consulting, White Label Services, Software Products.
2. These flyers in formats like PDFs, images, or editable files (e.g., Illustrator, Canva, Figma, png, etc).

B. Branding Assets

1. **Am I using all the brand assets used in the website?**
2. Do we have **brand-specific icons** or stock images?

C. Confirmation of Template Specifications

1. Dimensions: 8.5 x 11 inches (letter-size, for full PDF export).

D. Major Questions

1. **Flyer Content:**
 - Can you provide the finalized copy (titles, descriptions, features) for each service?
2. **Imagery Preferences:**
 - Do you have specific images or graphics for each service, or should I use placeholders?
3. **Brand Guidelines:**
 - Can you share logos, fonts, and color palettes for all 7 brands?
4. **Additional Requirements:**
 - Do you want any additional sections like testimonials, contact forms, or QR codes?
